

Ordering Information

Can We Preview Before Purchase?

Australian organisations, such as Universities, TAFE, Hospitals, Nursing Homes, Government Institutions or Community Health Centres can preview for two weeks prior to purchase. Previews are not available to clients outside of Australia.

Do We Need To Pay In Advance?

There is no need to send any money in advance if we are sending the Training Package to Universities, TAFE, Hospitals, Nursing Homes, Government Institutions or Community Health Centres. Each order/preview is sent with an invoice.

If you decide not to purchase the Training Package, the Training Package must be returned at the end of the preview period. It will be assumed by 2Foot Productions that an organization, facility or similar will purchase the Training Package if it is kept longer than the preview time limit (14 Days).

Organisations and private individuals other than those above will need to arrange payment in advance.

We accept Visa, MasterCard or payment by Cheque. Please download and complete the Order Form.

What If We Are Outside Of Australia?

If you are outside of Australia please use Pay Pal to purchase the Training Package. For other methods of payment please email 2Foot Productions at enquiries@2foot.com.au

Please feel free to contact us for further information.
